www.vikingindustrialcenter.com

Viking Industrial Center is a family-owned business that has served thousands of companies and customers since 1959. Viking started out in the heart of the Twin Cities by selling fastening tools and equipment for construction. Shortly thereafter we added a full line of safety products. The two product lines worked in tandem, providing a broad array of quality construction fastening and safety products at reasonable prices with personalized service. Finally, a full line of strut products was added.

Viking has three convenient Minnesota locations. Our St. Paul and Columbus stores service walk-in customers in the Twin Cities metro area and suburbs. Our Duluth location is easily accessible to customers in northern Minnesota and northwestern Wisconsin.

Our service representatives can visit you at your site.

Unable to stop in? Place your order online through our website. We have in-stock inventory ready to ship out immediately. If you don't see what you are looking for, please give us a call. We have a very knowledgeable customer service staff waiting to assist you!

We take pride in our company and enjoy giving advice on products and helping our customers find what is right for them and their situations. Please contact us with any questions about our company or our products.

TERMS OF SALE

Payment: Net 30 days from invoice date.

FOB: Shipping Point.

Transportation: We will determine the best methods for transportation unless specified in order.

Returned Goods: Goods may be returned for credit, exchange or replacement only with authorization and subject to inspection and restocking charge.

Special & Custom Items: Special order and custom-made items become the property of the buyer and ARE NON-RETURNABLE.

New Accounts: In order to expedite shipments to new accounts, payment in full must accompany order. We do not make COD shipments.

Prices: All prices are subject to change or withdrawal without prior notice.

Credit Cards We accept for credit card purchases

NOTICE: There is a minimum purchase of \$10 per order.

As our valued customer, you expect us to supply quality merchandise from reputable manufacturers at a fair market price, to ship and invoice your orders as rapidly as possible and to service what we sell.

As your supplier, we expect you to pay all bills according to our invoice terms, give us a reasonable amount of time to process "Will Call" orders, allow sufficient lead time for special and custom-made items, and most important, to let us know if there is a problem of any kind.

Transportation of Hazardous Materials

A. Hazardous Materials cannot be shipped by air.

B. Hazardous Materials Shipped by UPS Ground Service require special processing and labeling and are subject to a special UPS handling charge.

C. Customers will be notified if the product being ordered is considered hazardous material. Some of the most common items classified as hazardous by the DOT are: compressed air and oxygen (for breathing equipment), test gas kits and cylinders, fusee flares and dry chemical fire extinguishers. Other products may be included as the DOT regulates.

GHS - GLOBAL HARMONIZING SYSTEM

Let us help you to comply with the new OSHA Standard 29 CFR 1910.1200

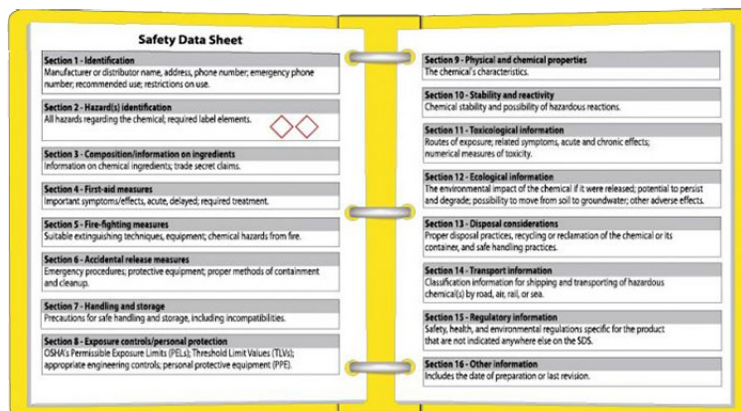

Viking Industrial Center is here to make
GHS compliance a little bit easier.

No more concerns about your workplace's
compliance with **OSHA Standard 29CFR
1910.1200.**

All you need to do is tell us what type of
hazard you need to label, choose a label
size, and send us a copy of your **SDS**.

That's it!

Because we print your labels in-house, you
don't have a long wait for your custom
labels. We can quickly turn your SDS into
the necessary label needed to meet the
new GHS label requirements.

GHS LABEL REQUIREMENTS

PRODUCT NAME OR IDENTIFIER	
DANGER! (signal word)	
Hazard Statement: Describes all applicable dangers of the substance.	pictogram(s)
Precautionary Statement: Includes recommended measures to take for prevention, response, storage, disposal & first aid information.	
Address & Contact Info of The Chemical's Manufacturer or Supplier	Supplemental Information: Other information may be included as needed.

Specify
2" x 4"
or
4" x 5"
